 Re Case Number 1:05-CV-14
 Date 105-22-05-

Honorable Judge Sue

Thumby i write to say i havnt a problem with extention 1 or 4, and that i own my innocence as i have from the begining.

Yet i awake every morning with a 24 year sentence under these conditions, No Evidents, inconsistant stories between witnesses of an imaginary gun, Alledge Robbery victim - Non existing throughout the entire court proceedings, Jury enquired of such victim. Judge Graves Answered - Work with what you have, because his non existant was irrelevant, The jury has know knowledge of the accusers or history simply because they were sent out of the court room during the questioning(?) failing reporting incident, Just to name a few of 15 grounds - Especially ground 15 - Altered/Amended outside of a Grand jury - Indictment Rendered Void Clearly a miscarriage of justice according to the constitutional regulations,

Again if I may with the deepest respect and in the name of our lord and savior ask How (WH) i indicted conditions sentence to a 24-year sentence?

Please Recognize My Innocence.
